

HOUK
HEARTBURN
CANCER UK

Is it really
just Heartburn?

Payroll Giving
Changing Lives - Saving People

Payroll giving is a way to regularly give an amount that you decide on without any hassle. It is simply deducted each month from your salary before you receive it. Payroll giving also increases the value of your gift because employees are given tax relief on their donation immediately – and at their highest rate of tax.

Yes, I would like to support Heartburn Cancer UK

I wish to donate to Heartburn Cancer UK (tax free and through my pay)

- £5** **£10** **£15** other **£.....**
