

Caring For Patients With Heartburn & Barrett's Oesophagus

Professor Rebecca Fitzgerald & guests invite you to our annual patient event, which will cover the following topics:

- **Capsule sponge test update & its future in health care:** Cyted Health
- **Overview on anti-reflux surgical techniques:** Mr Craig Vickery, Consultant Surgeon West Suffolk NHS Trust
- **An exclusive on dietary and lifestyle advice – the impact of weight loss drugs on reflux symptoms:** Melanie Trees, Dietitian, Cambridge University Hospitals
- **A question & answers session:** please send any questions in advance to info@heartburncanceruk.org

Patients, Family, Friends & Students Are Welcome to Attend This FREE Event.
